Letter No.ARPT.342, dated 30th September 42, from the A.R.P.Controller, Mysore, to the Inspector General of Police in Mysore, Bangalore.

.....

SUBJECT: Purchase of an iron safe for the A.R.P. Office.

I have the honour to state that cash transactions ranging from Rs.2,000 to 3,000 is taking place in this office every month and cash drawn from the treasury hitherto used to be kept in the Iron Safe of the Municipality, the office being located in the Municipal Offices. As the office is to be shifted to a new building very shortly, the necessity for the purchase of an iron safe for the A.R.P.Office is keenly felt.

In the circumstances, I request that sanction of Government may be obtained for the purchase of an iron safe of the marginally noted specifications* at a cost of Rs.165 from Messrs.The Mysore Metal Industries, Ltd., Bangalore City, who are the approved contractors as per SPC local indent No.6334, dated 10th March 1941, the cost thereof being met out ~~out~~ of the lumpsum grant for A.R.P.

* Fire & Burglar resisting iron safe - the size being - Height 23" x width 19" x 19" depth (outside).

P.T.O.

Letter No.AC.123/ARP/42-43, dated 3rd September 1942, from the A.R.P.Controller, Bangalore City, to the Inspector General of Police in Mysore, Bangalore.

....

I have the honour to state that one small Godrej cash box is provided to my office and it is too small and cannot hold heavy cash containing small denominations. It is very necessary to have cash in small denominations to facilitate ~~xxxhxxx~~ easy disbursements. The transaction of this office is on the increase due to increase of establishment of the paid staff, as also the increase of permanent imprest. The box is now fixed to a table and it is further unsafe to keep heavy cash in this box. I request therefore that sanction may kindly be accorded for the immediate purchase of an iron safe from an approved firm.
